

State Finals Wednesday Meeting

June 8, 2016

The meeting was called to order. Kate Dickinson led the Pledge and Prayer.

We did roll call based on cell phone numbers for the week. Everyone present except Clayton Colvard, Tom Parker, Bob Vogel, and Carey Mackey.

Sponsorship: Had a sponsorship update. Looking good. The students did a great job!! Will know more when we get the info from Peggy Miller.

State Finals: Last year we paid 5 kids \$200 to help all week. It was agreed to go ahead and pay those 5 kids again. Marina, Marc, and Thorpe have all of their areas for help covered. The students think it is important to have the seniors vote again this year on the student directors for the events. We will have a short meeting with the new directors making sure they knew their jobs and expectations. Shelly has passes and will hand them out to the help. We went over the ground rules, extra runs, stock coming back, dress code area, loops, and time limits. It was decided to keep the same rules as we did for the 2015 State Finals. We will do Pink Night on Friday night. Jodene Johnson will be our recipient. We went over flag carriers for the week. Shelly reminded everyone of the extra awards we have to hand out and asked everyone to let her know who they see that deserve these.

Queen Contest: Have 2 contestants. Going well.

Shooting Sports: Will have a sign-up sheet in the office. Stephen has it taken care of.

New Directors: We have three applicants and have two positions open. The applications were very qualified and it was decided to accept all three with our sliding board. Cliff Anderson, JT Nunn, and Casey Cunningham.

2016-2017 Membership Fees: After much discussion Marina Hadley made a motion to set our membership fees at \$300 for the year; Owen Whalert seconded. Motion carried.

Drawing for Gun and Chaps: Colter Wise brought the chaps and gave them to Kate Dickinson. Everyone thought we should draw Saturday during the Short-Go. Stephen thought it should be during the banquet. It was decided to draw at the short go.

Sunday Meeting: If anyone has agenda items get them to Shelly by Saturday morning.
