Instructions for On Line Reservations- **Available starting May 12, 2018**

Go To: <http://www.sweetwaterevents.com/> search on their calendar for the Wyoming High School Finals Rodeo.

It should be really simple.

Click on 'Buy Now' on the stall and/or RV space you want (*when a space has been reserved and no longer be available it will show as 'SOLD'*). It will bring up a small pop up and ask for a name to display on the website and add that item to the cart. You'll need to do that with each stall/RV space you want to reserve. When you are all finished click on the cart on the top right. It will list everything you have reserved with a total due. Then just go through the checkout process and it's done.

You will notice that the stalls have 2 categories: 1) Covered and 2) Sunscreen Covered. The price is the same and each stall is numbered. IF we have more than 284 stalls reserved we will use the East Indoor Arena as an overflow. THEY ARE NOT AVAILABLE until all 284 permanent are reserved!

The campgrounds (Pilot Butte) is also numbered and as you identify the space you want, it will pop up a 'RV Space #', as well as some information about the space, (i.e. 50 amp electrical, water & sewer, along with length of sewer hose needed and type of electrical plug needed).

THESE ARE NOT refundable reservations, so be sure this is what you want before you 'check out'. In the case of emergencies, each case will be handled independently by the WHSRA and the Complex.

Under the 'ABOUT' tab you will find a list of Staff, with contact information, a facility map, and other information. Please contact them if you are having problems with the online registration, or email Dixie at djhuxtable@yahoo.com.

Thanks!
