

KAYLIE HAUN FOUNDATION SCHOLARSHIP

Kaylie Haun was a sincerely considerate person, positive and effusive. She always seemed to have a smile and encouraging word, uplifting those around her. Kaylie was competitive yet compassionate. When winning she was not prideful or boastful, but humble. She encouraged her competitors and teammates; winning did not mean first place but doing your best mattered. Kaylie loved her horses and rodeo. We hope to continue her legacy of competitiveness, compassion, and caring by means of these scholarships.
