[Raffle Student Incentive](#)

STUDENT INCENTIVE- The Board of Directors is offering the same student incentive as last year, for every \$150 worth of Raffle Tickets (15) sold the student will get one \$60 credit toward their entry fee for state finals entries fees. These will be due no later than with their state finals paperwork. There is no limit on the number of entries that can be paid. Contact Ken Persson for Posters and tickets.

Packets are available with an info sheet, a large poster, a self-addressed envelope in which to return ticket stubs and money, and as many raffle tickets as you would like. You will need to sign for the tickets and provide a good contact number. In order to get credit the ticket stubs and money must be returned to Ken before your state finals paperwork is due but no later than May 13 (Casper Rodeo). If you only sell one ticket, that stub and money must be returned. Remember, these incentives apply only to state finals entry fees.
