

We will be able to use the Trap Club for our rodeo and the Firehole Range as well. We would like to do the trap first at 3pm on Sat. April 22nd, then travel to the Firehole Range for light rifle. We will continue with safe shooting light rifle. The Trap Club address is 655 Gookin / White Mountain Rd. The Firehole address is 368 Co Rd 4-9. If you take highway 191 south at the Cruel Jack exit for about 7 miles, Co Rd is on the right, also known as little Firehole Rd. From there follow the signs to range. They will need to buy their birds, we will post that information as soon as it is available.
